

Simplicity Chute Liner

**Protects the impact points
on chutes and screens.**

Simplicity Chute Liner

Constructed of wear resistant polyuretane, the multi-coned surface of the Simplicity Chute Liner allows material to build up on the liner; therefore providing a protective layer.

Features:

Bolt on mounting.

Easy to install.

Low maintenance.

Outlasts flat sheet liners.

**The Honeycomb Chute
Liner protects impact points
from large material.**
